THE IPAD IS A TOOLBOX!

**What's in
your toolbox?**

You don't need to learn everything about the iPad - just the things that matter to you!

THE iPad IS A COMPUTER!

vs.

- ▶ The iPad can do almost anything a computer can
- ▶ It is actually a 'mini' computer
- ▶ People new to technology often find iPads easier to use than computer as there is no need to use the mouse!

Discussion Time...

... Let's talk about

MONEY

HOW DO YOU USE MONEY?

Let's Talk: How do you use money?

- ▶ How have you used money to pay for things in the last week?
- ▶ How did you feel when you used money do these things?
- ▶ Are there some things that you are really good at doing with money?
- ▶ How did you learn how to use money to do these things?

Let's Talk: How do you use money?

- ▶ Are there some things that you want to do with money but you can't because you don't know how? *What are these things?*
- ▶ If you wanted to learn more about using money, what would you do to try to learn new things?
- ▶ What type of activities do you enjoy that help you to learn to do new things?

**G A M E
T I M E !**

A colorful banner with the text "GAME TIME!". The letters are arranged in two rows: "G A M E" on top and "T I M E !" on the bottom. Each letter is white with a black outline and is set against a different colored background. The top row has green, yellow, pink, and blue backgrounds. The bottom row has blue, pink, green, orange, and yellow backgrounds. A blue liquid splash is on the left, a white die is in the center, and a red game piece is on the right.

A GAME TO HELP YOU TO IMPROVE YOUR PAD KEYBOARD SKILLS

- ▶ Type for Fun

This is an educational and fun game to help you improve your typing skills.

The game has settings for both the starting typist and for the experienced typist that needs a challenge.

- ▶ Words go across the screen behind a plane. Type in the letters on the screen. Once the word is typed a new word appears.
- ▶ The game starts with words of 3 letters then increasing up to 11 letters. There are unlimited number of words.

LEARNING TO USE THE iPad WITH A GAME!

- ▶ There are lots of different games for the iPad. Jigsaw Bug how to iPad touch screen works!

- ▶ Find and open the Jigsaw Bug app.

- ▶ Tap on Assortment, then choose a picture from the Assortment pack.

- ▶ You will see 4 piece styles - choose one style.

- ▶ Choose 20 pieces on the slide at the bottom of the screen, press Start Game.

- ▶ All the jigsaw pieces are on the right hand side of the screen, hold and drag a piece into place on the white board. As you find joining pieces, they will 'snap' together. Continue until finished.

- ▶ **ENJOY**
